JESUS IS THE
CHRIST

2. We had a big training program two round in Adama, I prepared to find a disciples.
 - More than 300 ministers received a training at Bole congregation.
 - Around 200 ministers and believers are attended the training in Genda Odaa Congregation.
 - God sent to me more than 50 disciples, those who are following the message weekly in Adama.
3. We opened one church after Six years complete closed.
 - With my friend Pastor Rene Claud (from Burundi) we went to Kalo kile, 125km from capital city where the church is closed by the challenge of other religions and the weakness of church leaders and ministers.
 - The area is dominated by Orthodox and Wakefata (Oromo traditional religion) religion.
 - We are preparing training and evangelism time cooperating with the church leaders and ministers.

- We are praying to get indigenous people so that they can reach the others by their own languages and cultures.

4. God gave me three disciples, their name is Tamirat, Desalegn and Debela. They are entering different part of Ethiopia and finding a disciples that God prepared with me. .
 - God gave them a professional disciples and they are now committed for mission through the doors that opened by the government in two Wakefata and Orthodox dominated town.
 - I'm spending much time with them. We are praying and sharing a message together.

5. Mekane Yesus TV allowed me to teach 15 minutes on Young program in week. And I had 1:30 hrs. Interview on that TV, about how the word of God changed me and what should be the Solution for the challenge of 21 century generation, especially in Ethiopia.
