Does not want to go church...

But goes because  
parents force him  
to

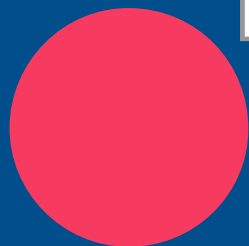

# Listens to the message

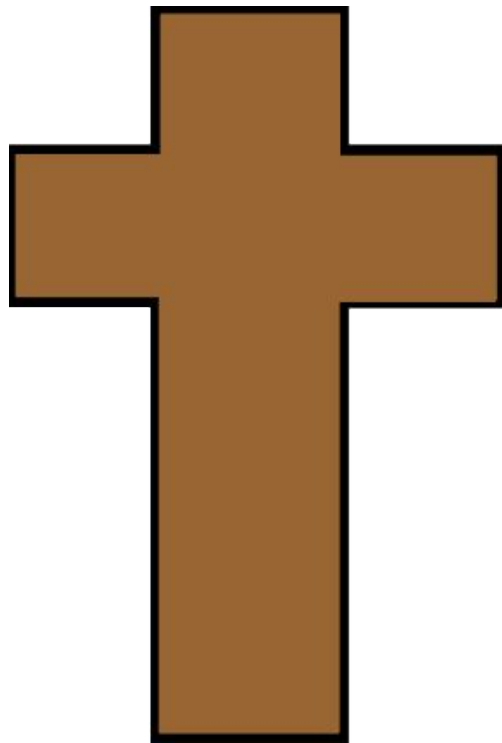

Receives the message that  
Christ is the answer

# Prayer

Dear God, all the days before today, I was on my phone, and was lazy the next morning and did not want to listen to your word. Today I went to church and received the word that Christ was the answer. Thank you for helping me realize that Christ is the answer, not my phone. In the name of Jesus Christ I pray, amen.

Christ is the  
answer 😊
